

Dear Parents/Guardians:

We wanted to provide you with some information about school breakfast/lunch program. At the June Board of Education meeting, the Board set the prices for breakfast and lunch for the 2019-20 school year. Breakfast for all students is \$1.65. Lunch for students in grades K-5 is \$2.60 and for students in grades 6-12, the lunch price is \$2.85. Lunch prices were raised in order to meet federal guidelines.

For lunch, students will continue to have 3-4 meal options each day and at the elementary school, students will continue to choose their sides at the garden bars.

We want to ensure all our students have the opportunity to enjoy breakfast and lunch at our schools. The National Free & Reduced Meal Program offers families the opportunity to apply and for children to receive meals at a reduced rate (\$.30 for breakfast & \$.40 for lunch) or for free. Below is a table outlining the income qualifications for free and reduced application.

Household Size	Annually	Monthly	Weekly
1	\$23,107	\$1,926	\$445
2	\$31,284	\$2,607	\$602
3	\$39,461	\$3,289	\$759
4	\$47,638	\$3,970	\$917
5	\$55,815	\$4,652	\$1,074
6	\$63,992	\$5,333	\$1,231
7	\$72,169	\$6,015	\$1,388
8	\$80,346	\$6,696	\$1,546
For each additional person add	+\$8,177	+\$682	+\$158

In addition to providing healthy meals for our children, having accurate free and reduced information also benefits the school district. Up-to-date statistics on our families can help with grant applications and funding opportunities. Also, high school students who qualify for free and reduced meals have a discounted insurance premium for the 1:1 computers.

Therefore, even if your child(ren) does not plan to eat at school, we encourage all families to review the free and reduced meal application materials and complete the form if you feel that you might qualify.

Families may apply for the Free & Reduced Meal program at any time. The application is based on the family's income over the past 30 days. If your child(ren) was part of the program last year, you will need to re-apply by September 27 to continue participation.

Additional information and the application for the Free & Reduced Meal program is attached to this letter.

If you have questions or need assistance with the application, we encourage you to contact our Food Service Department at 380-4226.

It is important for you to check your child's meal account balance regularly. As a reminder, meal account balances are available online through the Parent Portal which is also accessible through the district website or the district app (a free download in the Google Play or App stores). You can make payments to meal accounts through the Portal (via a laptop or the app) or by sending money to school with your child. We will continue to use our district's automated communications system (phone calls, emails & texts) to notify parents when meal accounts become negative. The food service department will also mail invoices home once a month for students who owe more than \$20. Students will not be able to purchase a la carte items if they have a negative balance. Also, once a student's balance is negative \$11 or more, he/she will be asked to select the sunbutter meal option. For all meal options, elementary students choose their sides at the garden bars and secondary students will receive the same sides with all options.

We want to remind our families that you can come to us at any time if you would like to talk about payment options. We have ways to help families without adding to the issue with an increasing negative meal account balance.

Sincerely,
Jason Eggers
Assistant Superintendent

HOW TO APPLY FOR FREE AND REDUCED PRICE SCHOOL MEALS

Please use these instructions to help you fill out the application for free or reduced price school meals. You only need to submit one application per household, even if your children attend more than one school in Harrisonville School District. The application must be filled out completely to certify your children for free or reduced price school meals. Please follow these instructions in order! Each step of the instructions is the same as the steps on your application. If at any time you are not sure what to do next, please contact the Food & Nutrition Services office at 816-380-4226.

PLEASE USE A PEN (NOT A PENCIL) WHEN FILLING OUT THE APPLICATION AND DO YOUR BEST TO PRINT CLEARLY.

STEP 1: LIST ALL HOUSEHOLD MEMBERS WHO ARE INFANTS, CHILDREN, AND STUDENTS UP TO AND INCLUDING GRADE 12

Tell us how many infants, children, and school students live in your household. They do NOT have to be related to you to be a part of your household.

- Who should I list here?** When filling out this section, please include ALL members in your household who are:
- Children age 18 or under AND are supported with the household's income;
 - In your care under a foster arrangement, or qualify as homeless, migrant, or runaway youth;
 - Students attending the Harrisonville School District, regardless of age.

List each child's name. Print each child's name. Use one line of the application for each child. When printing names, write one letter in each box. Stop if you run out of space. If there are more children present than lines on the application, attach a second piece of paper with all required information for the additional children.

Building name/Grade. If child is a student, list building name and grade.

Do you have any foster children? If any children listed are foster children, mark the "Foster Child" box next to the child's name. If you are ONLY applying for foster children, after finishing STEP 1, go to STEP 4. Foster children who live with you may count as members of your household and should be listed on your application. If you are applying for both foster and non-foster children, go to step 3.

Are any children homeless, migrant, or runaway? If you believe any child listed in this section meets this description, mark the "Homeless, Migrant, Runaway" box next to the child's name and complete all steps of the application.

STEP 2: DO ANY HOUSEHOLD MEMBERS CURRENTLY PARTICIPATE IN SNAP, TANF, OR FDPPIR?

If anyone in your household (including you) currently participates in one or more of the assistance programs listed below, your children are eligible for free school meals:

- The Supplemental Nutrition Assistance Program (SNAP)
- Temporary Assistance for Needy Families (TANF)
- The Food Distribution Program on Indian Reservations (FDPPIR).

If no one in your household participates in any of the above listed programs:

- Leave STEP 2 blank and go to STEP 3.

If anyone in your household participates in any of the above listed programs:

- Write a case number for SNAP, TANF, or FDPPIR. You only need to provide one case number. If you participate in one of these programs and do not know your case number, contact: State number 1-855-373-4636 –Family Support Division at 816-884-4056.
- Go to STEP 4.

STEP 3: REPORT INCOME FOR ALL HOUSEHOLD MEMBERS

How do I report my income?

- Use the charts titled "Sources of Income for Adults" and "Sources of Income for Children," printed on the back side of the application form to determine if your household has income to report.
- Report all amounts in GROSS INCOME ONLY. Report all income in whole dollars. Do not include cents.
- Gross income is the total income received before taxes
- Many people think of income as the amount they "take home" and not the total, "gross" amount. Make sure that the income you report on this application has NOT been reduced to pay for taxes, insurance premiums, or any other amounts taken from your pay.
